Experience

Freelance Front-end Developer

Fall 2018 - Present

Precision Press Printing, Cassies Collectibles, Buena Vista Pools

- Designed and developed user-friendly websites using a variety of technologies, languages, and programming tools.
- Communicate directly with clients to establish project parameters, write proposals for design work, analyze competitors web sites, determine web site content, produce site maps for client approval, and communicate progress with client throughout length of project.
- Execute and monitor standards for user interfaces, page design and graphics development.
- Assist in the monitoring and reporting of website traffic and performance.

Freelance Motion Designer

Fall 2017 - Present

K-Swiss, UST Mamiya, Common Theory Collective

- Successfully manage and coordinate design projects from concept through completion.
- Work closely with clients to create a vision, conceive a design, and consistently meet deadlines.
- Collaborate with graphic designers and editors to design and produce multimedia artwork and video for marketing and promotional materials.

Community Assistant

Spring 2018 - Fall 2018

American Campus Communities

- Worked with other assistants to execute creative programs, fostering community participation.
- Generated \$200,000 in lease sales within 6 months.
- Provided a safe living environment through general maintenance and upkeep.
- Managed various administrative duties including maintenance requests, incident reports, and room transfers.
